For one payment during the period, the Board inadvertently paid an employee for 64.11 hours of annual leave time that was not taken. Once the error was discovered, the employee was not required to pay the funds back but rather was allowed to take that time off over the ensuing three months. Per Article VII, Section 14 of the Louisiana Constitution, "Except as otherwise provided by this constitution, the funds, credit, property, or things of value of the state or any political subdivision shall not be loaned, pledged, or donated to or for a person, association or corporation, public or private." However, if the elected official is earning leave according to policy and/or contract, the official should document his/her daily attendance and leave.)

*The Board utilizes a payroll service that features an online time and attendance feature. All employees of the Board are required to utilize this service to keep track of their time. We reviewed reports for the year noting that time and attendance records are being maintained.*
